

*Maria*

The image features the name "Maria" rendered in a highly decorative, cursive script. The letters are a vibrant gold color and have a thick, textured appearance, suggesting they are made of embroidery or a similar raised material. The name is positioned horizontally. A large, stylized heart outline, colored in a deep red, is superimposed over the right side of the name. The heart's outline is also thick and textured, matching the gold letters. The heart's top curve is positioned above the 'i' and 'a', and its bottom point extends below the 'a'. The overall composition is centered on a plain white background.
